\*Do you consent to receive the following types of communication from the practice?

Mobile phone text messages  Yes  No  
Email  Yes  No  
Answering machine messages  Yes  No

## Summary Care Record (SCR)

This is a summary of your medical history that can be accessed healthcare staff outside of the practice treating patients in an emergency or out-of-hours with faster access to key clinical information. It includes important information such as medicines you are taking; allergies you suffer from or any bad reactions to medicines

Tick this box if wish to **opt-in** to the core SCR

Additional information about your health can be included in your SCR, which can improve the care you receive. This information includes Your illnesses and health problems; operations and vaccinations you have had in the past; how you would like to be treated – such as where you would prefer to receive care; what support you might need; who should be contacted for more information about you.
